4. Please use this space to comment on the content and organization of the poster session

Very good session. Would be nice to see the final
A bit chaotic. good practice to focus.
Excellent
Good, but ability to participate in more than one
overall an excellent session/ well conducted
Self grading in the group was a great idea
Very organized, enjoyed
Well organized

Sessions

Saturday

Scientific Session 3: Carotid Disease

1. Did you attend this session?

2. Number of Papers

4. Did this session include new data/procedures that will benefit you?

5. How would you rate the relevance of this material to your practice?

Sessions

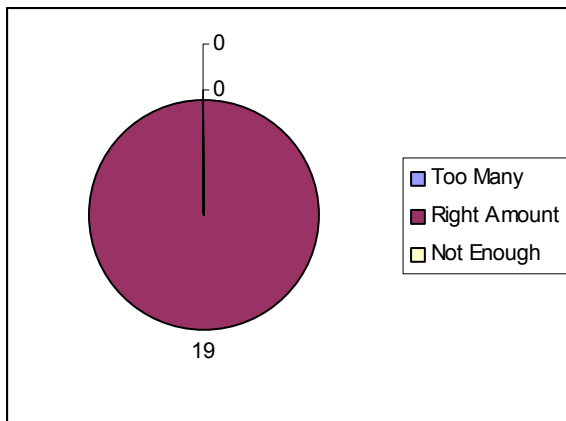

Saturday

Scientific Session 4: Thoracic and Venous Disease

1. Did you attend this session?

2. Number of Papers

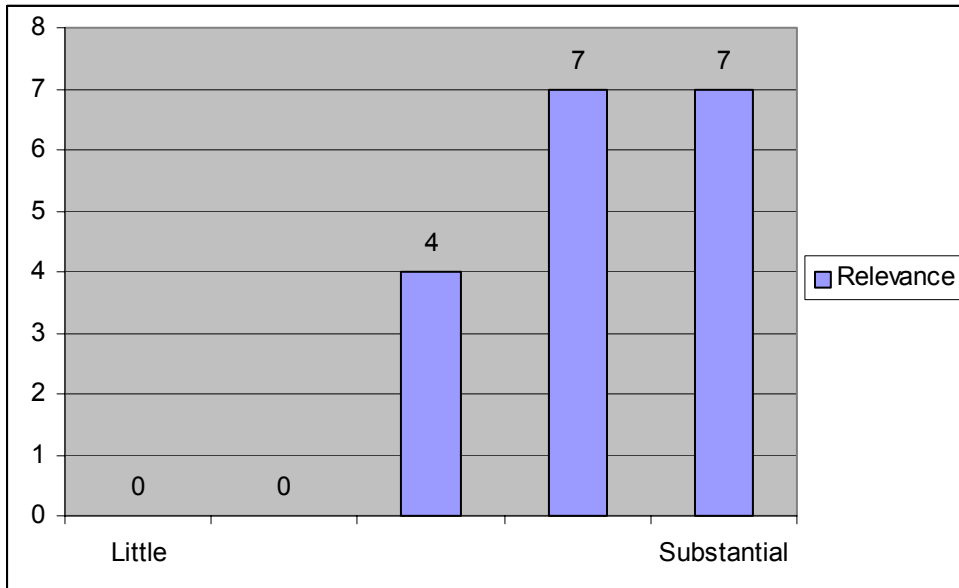

3. Discussion Time

4. Did this session include new data/procedures that will benefit you?
