**Community Vascular Surgeons: Challenging Cases**

**Friday, March 23, 2007  
Lark Room, 6:30am – 7:45am  
Walt Disney Swan**

***Description***

Community vascular surgeons present the specifics of difficult and/or unique cases they have handled in the past 12 months, or are currently pending. This informal session provides the opportunity to discuss diagnoses and outcomes, specific techniques and unexpected events when treating these difficult and challenging cases.

**Moderator: *Alan M. Dietzek, MD; Danbury Hospital, Danbury, CT***

***Expert Panel: TBD***
